The facts supporting this belief are as follows:

Date: 08/17/2018

On 08/16/18 at 5:34 a.m. officers of the Kansas City, Missouri Police Department were dispatched to 8021 E. 88th Street in regard to a disturbance. Upon arrival officers contacted the victim and determined she was the victim of a sodomy which occurred at 8031 E. 88th Street, Kansas City, Jackson County, Missouri. The suspect was later identified as Spencer M. Franklin.

The victim stated she was asleep in her bedroom when she awoke and saw someone standing in her bedroom doorway. She called out to the person and Franklin entered the bedroom at which time she saw what she believed to be a knife. Franklin got on top of the victim and told her "it's ok, I'm not going to hurt you". The victim pleaded with the suspect and told him no as he lay beside her rubbing her torso and buttocks over her underwear. The victim said Franklin moved to a position where he was on his knees in front of her and ordered her to perform oral sex on him. The victim complied out of fear for her life and performed oral sex on Franklin for a period of minutes. The victim felt Franklin was going to stab her no matter what and knew she had to escape. The victim bit down on Franklin's penis and that is when he stabbed her once in the torso and twice thigh. The victim was able to escape the bedroom and fled down the stairs with Franklin in pursuit. Once downstairs she believes Franklin slapped/punched her at some point. The victim was able to get the front door open and the witness was standing there. They fled the residence to seek help. The victim was treated at a local hospital for her injuries and had a Sexual Assault Exam completed. The victim provided a formal statement and was shown a photo lineup. She identified two males as looking most similar to the person who attacked her. One of those individuals was Franklin.

The witness stated she also resides at 8031 E. 88th Street and was awoken by her dog to go outside. She took the dog out and left the front door partially open while the dog did its business. The witness said she was in fairly close proximity to the door and when the dog was completed she turned to go inside and as she did so the dead bolt locked preventing her from entering. She knocked on the door and after several minutes the victim opened the door and said she had been attacked. The witness saw (a person later determined to be) Franklin standing near the kitchen area. The victim and witness fled to a neighbor's residence.

PROBABLE CAUSE STATEMENT FORM

CRN 18-062804

Officers observed the victim had dry blood around her lips and chin. They observed a vertical injury to her thigh and a diagonal wound to her abdomen area, both of which required stitches to close. Video was obtained from the residence and in that video a black male, later identified as **Franklin** is seen prowling around the front of the residence. A crime bulletin was created using still shots from the video. **Franklin** was stopped and identified by Patrol Officers from photos in the crime bulletin. They noted he had items of clothing consistent with what he was seen wearing on the video. In addition officers observed blood on his clothing. **Franklin** was arrested and a search warrant was obtained to process **Franklin's** body for evidence. During the execution of that warrant detective's observed distinct wounds on **Franklin's** penis consistent with teeth marks. The wounds were still bleeding.

Franklin was arrested and transported to 9701 Marion Park Drive for questioning. **Franklin** was advised of his Miranda Warning and declined to make a statement.

Lab analysis of evidence is pending.
