I, Det. Craig Leach #5599  (Name and identify law enforcement officer	, or person having informa	ation as probable cause.)	
knowing that false statements on this for	m are punishable by la	aw, state that the facts contained herein are tru	ıe.
I have probable cause to believe that on	04/28/2023 (Date)	, at 30 W. Pershing Rd (Address)	in
Kansas City, <u>Jackson</u> (County)	Missouri Eric Lam	bkins (Name of Offender(s))	
B/M (Description of Identity	·)	committed one or more criminal offense(s).	•

The facts supporting this belief are as follows:

Date: 04/28/2022

On 04/28/2023, a burglary was reported at 30 W. Pershing Rd Kansas City, Jackson County, MO. It was determined three (3) jerseys were stolen from the "Nike Room" of the NFL Draft area.

On 04/28/2023 at approximately 0118 hours, a black male and a white male are observed on security cameras leaving the Westin Hotel and walking towards the NFL Draft stage and Union Station. Due to all persons involved in the NFL Draft having to have credentials to enter all areas of the event including areas in the Westin Hotel the two males were identified as Eric Lambkins and Jude Ocanas through the NFL. Lambkins and Ocanas are then observed walking through the intersection of Pershing and Grand Ave and go towards the NFL Draft Stage. The two pass through an emergency exit to enter the Theater and stage area. The two next enter Union Station even taking time to take selfies inside. At one point the two males are not in camera view but when they return Lambkins is observed holding a bag which he was not holding previously. The two enter a room known as the "Talent Waiting Room" which is adjacent to the "Nike Room". The two males stay in the room for approximately 5 minuets and when they exit it appears the bag Lambkins is holding is fuller. The two males then continue to move about the stage and then go back to the Westin Hotel. Vice President of Security with the NFL advised at the time of day no one was allowed to be in the NFL Draft Stage area and Lambkins and Ocanas would not have had access to those areas with their credentials. Bandy explained the three jerseys were stolen from the Nike Room, valued at \$350.00 each for a total of 1050.00. The jerseys were described as a Dallas Cowboys Jersey with the number one (1) and no name on the back, a San Francisco 49ers with the number one (1) and no name on the back and a Minnesota Vikings with the number one (1) and no name on the back. These jerseys are used to give to players selected in the first round of the NFL Draft and have a very sentimental meaning. A burglary was reported on CRN KC23026323.

On 04/28/2023, officers with the Kansas City Missouri Police Department responded to Kansas City International Airport after it was determined the two suspects were there about to board a flight back to their home state. The two were taken into custody and their luggage was seized.

On 04/28/2023, I attempted to interview Lambkins. I read Lambkins his Miranda Rights aloud and he stated he understood his rights. He provided information regarding his address but then requested his attorney. The interview was then terminated.

On 04/28/2023, a search warrant to search the luggage of Ocanas and Lambkins was applied for and signed by the Honorable Judge Megan Benton. The search warrant was completed at Kansas City Police North Patrol. During the search of Ocanas's bag a blue in color Dallas Cowboys jersey with the number one (1) and no name was located in the bottom of the bag. During the search of Lambkins orange Coleman max back pack, a red in color San Francisco 49ers with the number one (1) and no name on the back was located. The jerseys were confirmed to be the stolen merchandise by employees with the NFL.
