█ the father of █ 10-year-old female), who stated his neighbor pulled the Victim into his home and pulled her pants down.

On 09-03-2024, at approximately 1500hrs, an officer with the Kansas City Missouri Police Department was notified of an assault that occurred between two inmates in the Metro Detention facility.

The officer contacted the Victim, who was in jail for a separate, unrelated incident. The Victim stated he was sleeping and he felt something touch his butt. He rolled over and observed an older man, later identified as Wesley McGlothlen, standing over him.

Detectives with the Kansas City Missouri Police Department then contacted the Victim at Research Medical Center. He stated he was in custody for an unrelated charge. He was sleeping in the detention cell, facing the wall, on the bench. He was woken up by an old white guy pulling his boxers down from behind. He asked the male what he was doing and the male said something to the effect of "he looked cold" or "he was cold", but whatever it was didn't make any sense. He then jumped up and told the male to get away from him. The Victim described the male as an old white guy in his 70s, wearing sweats and a sweater type top (identified as Wesley McGlothlen). The Victim knew it was Wesley McGlothlen because all the other males were asleep in the cell. The Victim wants to press charges because he heard Wesley McGlothlen was in jail for touching little kids. It should be noted Wesley McGlothlen was being held in custody on a 24hr investigative arrest under CRN 24-067661.

Officers then contacted the Victim, █ who stated yesterday, on 09/02/2024, at approximately 1700hrs, she was playing in her front yard outside of a residence in Kansas City Missouri, Jackson County. Wesley MCGLOTHLEN came out of his residence and asked her if she wanted chocolate. She told him no several times, but he kept asking. MCGLOTHLEN then grabbed her by the arm and pulled her inside his residence, and he then attempted to close the door behind him. The door did not close all the way. MCGLOTHLEN then pulled down her pants. She screamed and ran out of the front door and back to her residence. She then told her parents.

On 09/03/2024 █ responded to the Child Protection Center for a forensic interview. During her interview █ stated on 09/02/2024 she was approached by MCGLOTHLEN who asked her if she wanted some candy. █ denied the offer. MCGLOTHLEN then asked her again, █ stated after MCGLOTHLEN asked multiple times she told him she would take some candy. █ stated MCGLOTHLEN then grabbed her hand and pulled her into his apartment. Once they got inside MCGLOTHLEN's apartment he pulled down █ pants with his hands. █ described MCGLOTHLEN as an old white man with white hair on his face and that he was stinky. █ stated after MCGLOTHLEN pulled down his pants she got scared and screamed. █ had a toy car that MCGLOTHLEN had given her she threw the car at MCGLOTHLEN and believes she hit him in the face. █ then ran out of MCGLOTHLEN's residence.

On 09/04/2024 Detectives of the Kansas City Police Department conducted a phone interview with █ (Mother of VIC). She stated on 09/02/2024 she was outside with █ and looked away for a short time and did not see █ returned to her and stated MCGLOTHLEN tried to give her candy and pulled her into the home. █ screamed and escaped from him. Detectives also spoke with █ who

stated on 09/02/2024 at approximately 1800 hours, [REDACTED] was outside. MCGLOTHLEN approached [REDACTED] and asked if she wanted a piece of chocolate. As [REDACTED] approached MCGLOTHLEN who was standing at his front door he grabbed [REDACTED] by the hand and pulled her into the doorway. MCGLOTHLEN pulled down [REDACTED] pants and she screamed and ran away and told her mother what happened.

On 09/04/2024 Detectives of the Kansas City, Missouri Police Department responded to 7601 Prospect (Metro Patrol Division) to interview MCGLOTHLEN. MCGLOTHLEN was advised of his Miranda Rights and stated that he understood them and wished to provide a statement. MCGLOTHLEN was then confronted about luring the girl into his apartment on the premise of giving her candy, as well as an incident three weeks ago where he lured a little boy, ALD, into his apartment with the promise of a puppy and helped the boy go to the bathroom. MCGLOTHLEN was also confronted about sexual assault allegation while he was in the Metro Detention facility on 09-03-2024. MCGLOTHLEN then asked if he was being accused of being a pedophile. MCGLOTHLEN then stated he asks the kids if they want sweets because their parents are strict and won't let them have sweets.

MCGLOTHLEN was then asked what he was trying to do three weeks ago when he pulled the little boy's pants down and helped him pee, but he continued to say he just wanted to help him pee. The sexual assault in Metro Detention happened because the man was asleep and he looked cold, so he was trying to adjust his clothing for him. The time in the cell is the only time he has ever done something like that to a stranger. He missed his boyfriend so that was the motivation to grab the person in the cell.

MCGLOTHLEN then stated his goal is not pedophilia when he gives kids candy. MCGLOTHLEN admitted he panicked when the kids screamed after he pulled their pants down because he knows it is wrong. His sex life at home isn't satisfying him. MCGLOTHLEN then admitted he gives little kids candy and toys in exchange for looking at them with their pants down. He does it for sexual satisfaction. He does it in the basement. He doesn't touch the kids, he just looks. He can't remember how many kids have been in his apartment. Maybe five or six other kids.

MCGLOTHLEN was then asked about the little boy from three weeks ago who he helped go to the bathroom. MCGLOTHLEN was asked if he ever touched the boy, and he stated maybe, but he can't remember. He thinks it is possible because the little boy said "ouch". It was an accident. MCGLOTHLEN then clarified the boy said "ow, you're hurting me" and his fingernails were on the boy's penis. He put the boy in his lap, without the little boy's pants on, because he probably felt the need to get aroused. He wanted to get aroused because he is a lonely man. He was also touching the little boy's penis while he was in his lap.

He started doing stuff with kids about six months ago. He has only pulled down two kids pants, the two kids that he has been talking about today. He didn't have any illusions of having sex with them. He knew if he touched them wrong they would tell their parents and he would be in a lot of trouble. He can't say that he didn't get some satisfaction from pulling their pants down. He doesn't know why he pulled the girl's pants down because he is attracted to boys. He didn't want to have sex with the girl because a penis wouldn't even fit because she is too small. He pulled up her dress because he wanted to know what she looked like underneath. He had fantasies about having sex with her, but he is smart enough to know they couldn't be fulfilled. He was

hoping she would get scared and run away because then he couldn't take his urges any further. He would have taken the urges further had she not have run away.

MCGLOTHLEN then admitted that he has pedophilia tendencies, and he has had these tendencies as long as he can remember. His favorite age group is teenagers, but the youngest he has ever thought about is the two kids he has been talking about today.
